# Series List - Anne McCaffrey - In Order: Novels And Books

## Synopsis

This is a quick-reference title list for your kindle or kindle app to help you easily list Anne McCaffrey's novels and books in series reading order. You can pop open the list right from your kindle book list. You don't have to navigate the browser on the device or logon to your PC or laptop or have a printed list lying around to find out which of the authors books to read next. The works are listed in series chronological order, as quite often they reference characters and places in previous novels and stories. Hopefully you have the Kindle Unlimited subscription and can download it for free. If not, a dollar is a small price to pay for the convenience of this book. TIP: Titles you've read can be "checked off" with the kindle highlight feature. TIP: Turn on Automatic Updates so that this list updates on your kindle when new titles are added. Just to avoid any misunderstandings about copyright, according to the United States Copyright Office, "Copyright law does not protect names, titles, or short phrases or expressions." (copyright.gov, circular 34). I hope you find this made-for-kindle list as helpful as I do in deciding which of the author's books to purchase and enjoy next. The K-Man

## Customer Reviews

It provides the reading order which is very good when reading a series. I really enjoy Anne McCaffrey's books and keeping the series in order really helps in the overall flow of the story line when reading a series as well as knowing which books are part of the series.

I was very happy to be able to see the lists of books written or co-authored by Anne McCaffrey. I especially wanted to see the series, in order, of her Dragons of Pern books. I am collecting her books because I love them so much. So this book is especially helpful to me.

There is little chance I would have been able to remotely enjoy this series without the valuable information in this book. I cannot believe someone would be so kind as to take the amount of time it must have taken to draft this stupendous masterpiece.

OMG!!! I love Anne McCaffrey... I have "everyone" of her books "in Hard copy"..not only her Pern series... her imagination is marvelous..I recently started putting them all on my Kindle... actually I bought a Kindle for just her books..

I really like to read the Pern books in chronological order, although each one can stand alone. The Crystal singer's books as well as the Freedom Landing books are better read in order, especially if you have them all in your possession. You don't lose continuity.

A fair list of AM's books in reading order. Not complete, though.

A useful reference, however I still want to be able to read The Rowan, and the Harper Hall Trilogy on my Kindle - I could, if I had a UK kindle and account, does not make sense.

You can get this same reading order list (chronological or publication date) from Goodreads or Wikipedia for free.
