Synopsis

A book for baseball fans of all ages, baseball history comes alive on every page, with biographies and great photographs of every player in the National Baseball Hall of Fame. You'll get all the stories, all the stats, all the vitals, all the plaques, all you need to know about everyone in the Hall, including the new class to be inducted in July 2016. Managers and executives are also featured in abbreviated form. Baseball's most hallowed hall comes alive in the pages of the National Baseball Hall of Fame Almanac. Every player in the Hall of Fame gets a two-page spread featuring a biography, vitals including awards and postseason appearances, complete career statistics, a full-color/full-page photograph and an image of their Hall of Fame plaque. Each executive, manager and umpire gets a half-page as well, so all of the more than 300 people in the hall are covered. The 2016 edition will include full biographies on all the new inductees, and each new addition features plenty of new photographs. Good compilation ; however would have been more useful if more than one page was devoted to each subject.
