Customer Reviews

I collect Rider-Waite clones so when I discovered this deck was still available, I was thrilled. Colors are intense, vibrant and really beautiful to look at, almost like looking at a graphic novel; some cards almost seem 3D (Page of Cups in particular). Some cards are missing the usual symbolism (King of Cups is not wearing a fish necklace) but that's the fun of a clone (it's not exact). Currently, my favorite deck! A+.

love this version based on rider waite
