Customer Reviews

I have read many books while researching weight loss surgery. This one is my absolute favorite. It is full of valuable information and also contains personal insight. I very recently had the lap-band surgery and Bandwagon 2 is my post surgery bible.

Great Book. Lots of information in dealing with Lapband surgery. Jean is a wonderful writer.

Teaches how to trouble shoot any problems that may arise. This is the best book I've seen on the market and recommend it highly.
