Customer Reviews

Fantastic collection of British Literature. Rarely did I feel like the "wrong" selection was included. The only con would be the paper thin pages, which rip easily. I'm taking off a star for that.

Some interesting stories to read on your own time! It is also one of the reading materials required in a lot of British Literature college classes! Overall I had no problems with the delivery and everything turned out great!

Great and fast response from this seller!! Very trusting.
