# Romance, Emotion, And Erotica Writers' Phrase Book: Essential Reference And Thesaurus For Authors Of All Romantic Fiction, Including Contemporary, Historical, ... And Suspense (Writers' Phrase Books Book 7)

## Synopsis

ON SALE FOR A LIMITED TIME...INSTANTLY WRITE BETTER ROMANCE! Do you suffer writer's block? This extraordinary 7th volume in the #1 best selling Writers' Phrase Books series shows you how to write bold, romantic descriptions the fast, easy way. It features over 3,000 swoon-worthy ways to describe emotions, romance, and sex, plus alien and supernatural lovers for paranormal and science fiction romance. And that's not all! There's also a complete, detailed list of the proper forms of address for nobles if you're writing historical romance, plus a combat thesaurus for romantic suspense, paranormal, and sci-fi authors. You get tips on how to use magic and write action scenes as well bonus thesauruses for body parts, colors, emotion, endearing terms, and gender descriptors. We've even thrown in bonus romance writing tricks and advice covering all aspects of romantic fiction, including the 10 Rules of Romance Writing and the 1 Thing You Must Never Do When Writing a Romance. This book is NOT just for romance writers, or only one style of romance...It's for anyone who wants to write emotional, sexy, or romantic scenes, regardless of genre. Got a romantic subplot or sex scene that needs spicing up? This book is for you! It's an amazing value for writers of: Chick-Lit or Women's Fiction Contemporary Romance Erotic Romance Erotica Historical Romance or Fantasy Romance New Adult Paranormal Romance or Erotic Horror Romantic Suspense Thrillers Science Fiction Romance (Alien Warrior, Dystopian, Time Travel, etc.) Although I include plenty of helpful material for most cross-genre romance authors, those of you requiring more action and world-building descriptions will want to take a look at the rest of my series. Each of these phrase books contain thousands of instant descriptions for writing your books. You can use them "as is," mix-n-match to create new ones, or use them as inspiration to create your own incredible descriptions. These books are your secret weapon to defeat writer's block. Just flipping through them is guaranteed to generate new ideas in a flashâ "and not just for descriptions, but for new scenes, even entirely new stories! These books are multi-purpose toolkits intended to take your creative writing to the next level. Check out the entire seriesâ "which Writers' Phrase Book is right for you? Action Writers' Phrase Book (for authors of Action, Adventure, and Thrillers in any time period) Fantasy Writers' Phrase Book (for authors of Epic Fantasy, Medieval Historical Fiction, and Sword & Sorcery) Fiction Writers' Phrase Book (an exciting new bargain-priced series sampler for authors of Action, Fantasy, Horror, and Science Fiction) Horror Writers' Phrase Book (for authors of Dark Fantasy, Horror, Paranormal, and Urban Fantasy) Post-Apocalypse Writers' Phrase Book (for authors of Apocalyptic, Dystopian, Post-Apocalyptic, Prepper, and Zombie fiction) Science Fiction Writers' Phrase Book (for authors of Cyberpunk, Dystopian, Sci-Fi, Space Marine, and Space Fantasy Adventure) (Note that each book

is intended as a standalone volume and as such, they contain varying degrees of overlapping content. Unless you write in multiple genres or create cross-genre mash-ups, you may not need to own more than one book in this series.) Who is Jackson Dean Chase? Jackson Dean Chase is the #1 bestselling author of over 20 books, including *How to Start Your Novel* and *How to Write Realistic Characters*. His books have amassed hundreds of five-star reviews.

## **Customer Reviews**

If you're a romance author and need to add some zing to your story try this really clever book full of descriptions for writing romance. I really liked how it didn't cover just the usual contemporary romance stuff I was expecting but it also had useful sections for historical, paranormal, and science fiction romance. It even has a romance thesaurus for most genres. A nice surprise, plus more.

A great reference book, especially for an author who's experiencing writer's block. Writing a scene is simplified with this great read that includes the rules of romance, varying types of thesauruses that can be applied in writing, and a whole lot of setting specific phrases. I may not agree with each rule

listed, however, as a romance author myself, I can see the great value in this book. The Action Thesarus in particular seemed very useful. Also, though some of the phrases may come off as cliche, there are so many others that are original. If you're not into the copy and paste sort of game (which I can understand), then use the phrases to spark some inspiration. All in all this was a great read and I highly recommend it.

Interestingly, this book gave me both less and more of what I was looking for. This book has 138 pages of tags (plus other pages) but over 30 of those pages appear to have little to do with the romance genre. Tags for everything from Aliens to Angels, Werewolves to Energy Beings appear to be taken directly from Mr. Chase's Science Fiction or Fantasy/Supernatural phrase books, and are not tweaked to fit the romance genre. On Romance specific tags, the author delivers what's promised. However the marketing of those 30 plus pages as sci-fi/paranormal romance seems to be hyperbole. Only 2 pages of them appear to be specifically tailored to sci-fi romance. In many of his titles, the author notes that there is overlap between each book, but that still doesn't prepare you for how much identical content there is. Basically this appears to be vertical marketing -- selling much of same material to different niches. Unfortunately, writers cross genres. (On the plus side, I was interested in Science Fiction or Fantasy but didn't get them because of the overlap. Now, I have no need for them, because so much is covered here, though I don't know why.) What's great about the Romance version -- and why I bought it before being able to see its Table of Contents -- is that I guessed correctly that it wouldn't contain the same "blades, bludgeons and other weapon" tags that appear seemingly through the other editions.

As a romance writer, I found this phrase book helpful. It gives examples of emotion and romantic scenarios without using the same terms over and over. It goes on to describe how a character might feel or bond with another character. Some phrases are short and can be used as dialog tags. I had fun playing with them to fit my own writing style!
