Broadway Sheet Music: A Comprehensive Listing Of Published Music From Broadway And Other Stage Shows, 1918-1993

Synopsis

For the first time ever, the published songs from every composer in all Broadway shows, 1918 through 1993, are listed in a single reference work. Each of the over 2,500 entries includes the shows title, the year the show opened, a listing of all songs in the production with composers and lyricists, and the shows leading players. The sheet music cover is also described, along with a one-line synopsis of the show. A limited number of shows that closed before reaching Broadway are also included.
